Dear Town Employees, Residents, Family & Friends,

Our family would like to thank each and every one of you for the hard work, dedication and of course all the donations you gave to make the "Give to Live" dinner and dance for the "Joseph M. Acocella Jr Memorial Fund" such a success. Our family was overwhelmed by the outpouring of generosity and teamwork to make this event so successful. The New York chapter of Donate Life as well as, the Transplant Support Organization of Westchester was very impressed over Harrison's hard work, loyalty and the overall support to put this event together in memory of Joseph. As a result "The Town of Harrison" received a "Certificate of Excellence" from the New York Chapter of Donate Life. Ron Belmont was called up to accept the Certificate.

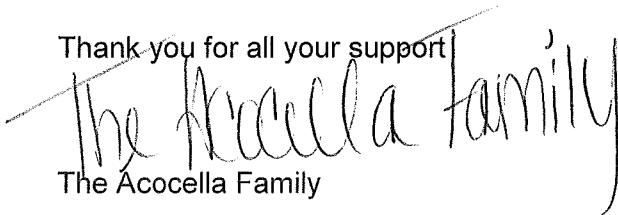

The event was held at the Mansion on Broadway in White Plains. The owners, Patti and Mark Mezzancello who are Harrison residents, donated the night to our event as well as the "Reunion Band". We had 125 attendees and with all the raffles and silent auctions listed on the attached page, the total amount collected including anyone who donated checks and weren't able to make the event was approximately \$15,000.00. We are awaiting our IRS 501 C3 approval and will notify you once approved so you may take the appropriate deduction on your 2012 tax return.

Our family has recently donated \$10,000 to the repair of the Harrison Dog Park as well as a donation to the Harrison High School Band for 7 flags. We will continue to give back to not only the community but also the schools, as this is what Joseph would have wanted. Words cannot express the appreciation we have for all that was done to continue Joseph's mission and are looking forward to working with you all again soon.

This night was not only about Joseph, but also about giving life. If you haven't already, please consider organ donation. Visit www.joeacocella.com for more info.

Thank you for all your support!
